

The Gliding Stars of Findlay is set to host the 9th annual ice show entitled Peace, Love, & Skating on Sunday, March 14 at the Cube in Findlay, OH. The program begins at 2:30 pm.

Audience members will be treated to watching children and adults overcoming their disabilities by participating in an ice show complete with music from the 70's, costumes and sets.

Gliding Stars is an adaptive ice skating program and first came to Findlay in November of 2000. The program uses adaptive equipment such as walkers and skates to help individuals with special needs, which are referred to as Stars, the opportunity to skate. The Stars participate in weekly lessons and are paired up with trained volunteers under the direction of skilled skating instructors.

The success of Gliding Stars is much like the quote from the movie Field of Dreams "If you build it they will come." Gliding Stars of Findlay has seen growth first hand. Gliding Stars of Findlay now has 46 Stars from four surrounding counties and the Hancock County area.

Tickets for the ice show can be purchased in advance at Romans Hair Designers located at 626 South Main St. in Findlay, OH. Tickets cost \$5.00. Tickets will also be sold at the door the day of the event.

The Gliding Stars will also be selling tickets for gift basket raffles. The baskets will be given away the day of the show. There are four themed baskets valued from \$260 - \$500.

Tickets for the baskets are 1 for \$1.00 or 6 for \$5.00.
