**TO:** Anyone interested in being an on-ice volunteer

**FROM:** Kim Murphy Volunteer Coordinator

**SUBJECT: GLIDING STARS OF FINDLAY — 2009-2010 Instructional Season**

*Gliding Stars of Findlay* is an adaptive ice skating program that provides individuals who have physical, mental or emotional disabilities the opportunity to reach their potential through the development of ice skating skills. The program serves individuals in Hancock County and surrounding areas, and meets on Sunday afternoons at the Clauss Ice Arena in the Koehler Center at the University of Findlay. We are on the ice for an hour (4:00 - 5:00 p.m.) from September to December. In January, our time expands to one and a half hours (4:00 – 5:30 p.m.) in preparation for our annual skating show on March 14, 2010.

We are in need of Volunteers! This year marks our 9<sup>th</sup> season of skating in Findlay. We have more Stars than ever before. Without the dedication of our volunteers, the *Gliding Stars* program would not be possible. We need volunteers on the ice to provide physical support, encouragement and social opportunities for our special skaters.

To register as a volunteer you will need to fill out the Volunteer Registration. Mail the registration to Gliding Stars at the above address.

Training for Volunteers will be September 13, at 3:00 p.m. at the Clauss Ice Arena at the University of Findlay.

The calendar of skating dates and registration forms are on the web site at [www.glidingstars.org](http://www.glidingstars.org) go to the Findlay Chapter.
