Dear Interested Skating Participant and family,

Thank you for your interest in *Gliding Stars*, Adaptive Skating Program. This year marks our 9th season in Findlay, Ohio!

The program serves individuals in Hancock County and surrounding areas, and meets on Sunday afternoons at the Claus Ice Arena in the Koehler Center at the University of Findlay. We are on the ice for an hour (4:00 - 5:00 p.m.) from September to December. In January, our time expands to one and a half hours (4:00: 5:30 p.m.) in preparation for our annual ice show scheduled for March 14, 2010. We also have added a skate a thon in November this year.

**We have scheduled a Fitting / Registration Sessions for Saturday, August 22<sup>nd</sup>. You will need to contact me for a time for your fitting. We are doing the fitting every 10 minutes from 9:30 am – 12:00pm.**

The registration is at the Claus Ice Arena, 1000 N. Main St., Findlay. Make sure your Gliding Star is in attendance as we will be measuring for ice-skates. We also will have University of Findlay students helping out with the registration process.

### **What you need to bring:**

- You will need to bring the fill-out registration with you.
