---

**TO:** Anyone interested in being an on-ice volunteer

**FROM:** Cindy Bregel Executive Director

**SUBJECT: GLIDING STARS OF FINDLAY — 2016-2017 Instructional Season**

**At The Cube 3430 N. Main St.**

*Gliding Stars of Findlay* is an adaptive ice skating program that provides individuals who have physical, mental or emotional disabilities the opportunity to reach their potential through the development of ice skating skills. The program serves individuals in Hancock County and surrounding areas, and meets on Sunday afternoons at The Cube. We are on the ice for an hour (2:00- 3:00 p.m.) from September to December. In January, our time expands to one and a half hours (1:30-3:00 p.m.) in preparation for our annual skating show on March 19, 2017 at 2:30pm. You will be given a maximum of 33 hours of volunteer time with 100% participation in the practice session, rehearsal and ice show this season.

We are in need of Volunteers! This year marks our 16<sup>th</sup> season of skating in Findlay. We have more Stars than ever before. Without the dedication of our volunteers, the *Gliding Stars* program would not be possible. We need volunteers on the ice to provide physical support, encouragement and social opportunities for our special skaters.

The calendar of skating dates and registration forms are on the web site at [www.glidingstars.org](http://www.glidingstars.org) go to the Findlay Chapter.

To register as a volunteer

- You will need to fill out the Volunteer Registration
- Mail the registration to Gliding Stars at the above address

If you have questions, please contact me at 419-423-4536 or email me at [cindy.bregel@gmail.com](mailto:cindy.bregel@gmail.com)

Sincerely,

Cindy Bregel  
Executive Director
