

GLIDING STARS PARENT AGREEMENT

As a GLIDING STARS OF CENTRAL FLORIDA “STAR” Parent, you have accepted our mission to help fuel and launch your skater (STAR) to learn basic ice skating skills and techniques, while encouraging them to improve their coordination, balance and communication. You will also help inspire and motivate your skater (STAR). We appreciate all that our parents do for our organization and wish to make our expectations clear.

Parents are expected:

- To act in a responsible manner, with compassion and respect to all STARS, other Star parents, volunteers, and staff of Gliding Stars.
- To be a positive role model and be realistic about your STAR’s physical abilities.
- To be responsible for the safety of your STAR, while off the ice; and in case of injury to ask another volunteer to notify a staff member immediately.
- To properly use and care for all Gliding Stars equipment and to assist in set up or clean-up of equipment as needed.
- To ensure that your STAR is wearing appropriate clothing for being “on-ice” for 60 minutes.
- To arrive on Ice Days at 12:30 pm or earlier to assist the STARS and volunteers in lacing their skates and finding helmets. Group interaction is a VERY important part of the program; it encourages following directions and expanding concentration and the ability to stay on task & focus.
- To not allow gum or candy while your STAR is skating.
- To have an ongoing commitment of dedicated attendance throughout our skating season.
- To refrain from the use of obscene or objectionable language or behavior.
- To provide an environment that is free from aggressive behavior, drugs, tobacco and alcohol.
- To do your very best to make the Gliding Stars experience fun for everyone.

I understand that as a parent of a Gliding Star, I make a difference in the lives of other STARS and their families. I also understand that if at any time my conduct is not of a positive and encouraging role model for Gliding Stars that I will be asked to leave the ice.

I have read and understand the above contract and agree to abide by it.
